OCTOBER

PROMPT RESPONSES

Caleb is a third grader at CMGLS. The first writing that he produced to be turned in was completed with great error – including writing on the wrong side of the paper. This is his progress over a few months with lots of practice writing and peer group work with 5th graders. He is making strides. His family is pleased with his experience and growth.

The most interesting segment of today's Chh lo was about the Amazon rainforest. It is the biggest in the world. The Amazon rainforest is big and has animals. It has lakes and trees. This is what is interesting on today's Chh lo.
