The question I want to share with you was how to measure if Curious and Kind was meeting it's mission...

“Curious and Kind empowers children to learn about themselves, others and the world around them”

Through [I'm Represented In Schools \(Iris\)](#) I found the Panorama Social Emotional Learning Survey survey.

FULL SURVEY- <https://panorama-www.s3.amazonaws.com/files/sel/SEL-User-Guide.pdf>

I needed to edit it for:

~Length

~Our context

~Our purpose

This tool was very long and had many irrelevant questions so we paired it down and made two versions....

 FSALC "Belonging" Survey" - Fall 2024  

Questions Responses **50** Settings

Curious & Kind

EDUCATION

"Belonging" Survey

B *I* U  

Form description

child's name *

Short answer text

Topics we wanted to focus on are:

Social awareness

Self-management

Sense of belonging

Supportive relationships

[link](#)

We had to decide:

- ~What we really wanted to know (purpose)

- ~How to communicate with parents

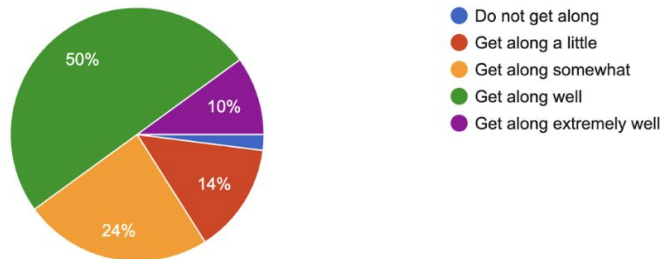

- ~How often to give it

- ~How to administer it

We gave the survey in the Fall and will give it again in the Spring.
The purpose is for us to see our impact over time. (These are just two questions)

How well do you get along with students who are different from you?

50 responses

How clearly are you able to describe your feelings?

50 responses
